UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

v.

WILLIE BEASLEY,

Defendant.

Case No.: CR 05 00646 JSW

~~PROPOSED~~ ORDER OF
IMMEDIATE MEDICAL CARE

The Honorable Jeffrey S. White

Mr. Beasley was arrested and incarcerated on October 13, 2005. He immediately reported to prison authorities that he was suffering from severe back pain. During the course of his nearly five-month incarceration, Mr. Beasley has made repeated requests for appropriate medical care, including Magnetic Resonance Imaging ("MRI") if necessary to properly diagnose the problem so that it can be treated. Medical professionals at the Glenn Dyer Detention Facility in Oakland agreed that Mr. Beasley needed an MRI and transferred him to Santa Rita Jail, which has a larger and more extensive medical facility on site, as well as the ability to transfer inmates to a local hospital for more extensive testing and treatment if necessary.

Despite his prompt and repeated requests for medical care, and although Mr. Beasley has now been transported back and forth between Glenn Dyer and Santa Rita Jail

~~PROPOSED~~ ORDER OF IMMEDIATE MEDICAL CARE

1 numerous times, at present, Mr. Beasley still has not received appropriate medical attention
2 for his back injury. Mr. Beasley reports that his condition has become progressively worse
3 and that he is in a great deal of pain.

4 In light of the fact that he has been incarcerated for nearly five months and has made
5 numerous requests for medical care for his back condition, IT IS HEREBY ORDERED that
6 Mr. Beasley be provided immediate access to medical care and/or testing for his back
7 injuries.
